

### IDLENESS

Perfect for a long break at sea, the Medline is a true private beach thanks to its spaces converted to Sun deck. Created for long daily trips, the Medline range belongs to the new generation of Zodiac boats : RIB clearly relax-oriented. Their design allows to transform the deck in a large sun deck, thus creating a 'private beach' area. "

### SPACE

The deck plans allow an exceptional modularity : moving aboard is easy, the sun decks are spacious and easily convertible and the aft platforms are safe and comfortable. Tanning, having lunch or swimming : so easy. The unique comfort of the upholstery, the richness of the equipment, the easy maintenance of the tubes... Each single detail is the fruit of the Zodiac Nautic's experience and its perfect knowledge of the sea.

### PLEASURE

Including 5 boats, the Medline range has been redesigned by setting an absolute priority : its easy use ashore, at mooring, and at sea. The size and weight of each model have been optimized to get an excellent weight-to-power ratio in order to choose a moderate engine, and simplify maneuvers at lowering and storage.
